ClickSys

COOKIE POLICY

ClickSys uses cookies. This means that these cookies gather information about you when you visit our website. A cookie consist of a text file containing information that is stored on the hardware unit you use to visit our website. According to the Electronic Communications Act (2003:389), all visitors must give consent and be informed about how we use cookies on our website.

We use cookies for multiple purposes. Some cookies are necessary to enable the use of our website and for the purpose of this use being safe. Cookies are also used to supply us with statistics, e.g. how the website is used.

We use three types of cookies:

1. **Permanent cookies**

   These types of cookies are a file that is permanently stored on your unit (or until you remove it) and is used to enable us to improve your user experience. This entails e.g. the ability to adapt the website according to your preferences, choices and interests.

2. **Session cookies**

   These types of cookies are used to enable us to identify you during the time you are visiting our website. This cookie disappears after you shut down your web browser.

3. **Third-party cookies**

   These cookies are supplied by a third party to perform web analysis and measuring of the traffic on the website.

We categorise our cookies and their use according to the following:

Necessary cookies
Cookies that are necessary to be able to offer our basic services, e.g. to be able to check that you can use JavaScript. Our services would not function without these cookies.

Analytic cookies
These cookies provide us with analytic information and statistics regarding the performance of the website and the services we provide. This enables us to analyse the website and our services and make them more effective.

Clicksys Scandinavia AB | Narvavägen 12, SE-115 22 Stockholm, Sweden
Org. no. 559063-5396 | VAT no. SE559063539601

Functionality cookies
These cookies enables us to save settings such as language selection. Without these types of cookies, we would not be able to tailor our services according to your wishes. These cookies are important, as they are essential for the services we offer to work as well as possible.

Security cookies
Security Cookies make our services and data safe and secure by helping us detect fraud and protect your data. Because security is an essential part of our services, these cookies are necessary.

We use the following cookies:

Domain	Name	Use	Type	Stored (days)
clicksys.se	Google Analytics	Analytic cookie	Third-party cookie	730

If you do not want any cookies saved, you can always change your settings in the browser you are using. However, if you choose not to accept any cookies, it may affect your user experience on the site. Your browser should include precise instructions explaining how to control the acceptance of cookies. If you have any questions regarding the use of cookies by ClickSys, please contact us at info@clicksys.se.
